Industry

No. 41 Auto Glass Foaming Windshield Cleaner. Custom formulation designed to be compatible with all automotive brand urethanes. No ammonia, no silicone, no alcohol; low VOC's. Meets C.A.R.B. (California Air Resource Board) standard for VOC emissions. Cleans and preps glass instantly.

No. 43 Ammoniated Glass Cleaner. Leaves no residue or streaks. Use on windows, mirrors, windshields, chrome, stainless steel, tile, formica, showcases and porcelain. Eliminates stubborn accumulations of dirt, grease, soot and grime.

No. 50 Glass Cleaner. Cleans in seconds. Guaranteed to leave no film. Removes grime, tape residue, light fresh paint overspray from glass. Non-caustic; non-flammable. Non-ammonia formula dries fast. Meets C.A.R.B. (California Air Resource Board) standard for VOC emissions.

No. 77 Silicone Lubricant. Weatherproof. Stops squeaks. Prevents sticking of windows, doors, drawers, locks, hinges, etc. Use on metal, rubber, leather, vinyl, wood and other surfaces.

No. 90 RD-90 Machine Maintenance Spray. Lubricates, penetrates, displaces moisture and prevents rust. Fine thin coating keeps moving parts and operating mechanisms running smoothly. Contains no silicone.

No. 209 Mirror Edge Sealant. Protects mirror edge from blackening. Retards edge blackening on newly cut mirrors. Specially formulated clear coating reduces silver deterioration due to handling, humidity, moisture or storage. Dries in minutes.

No. 715 White Grease. Highly-concentrated, heavy-duty lithium lubricant spray. Will not wash away or run off.

No. 732 Clean-Up Dry Cleaner. Removes sealants, adhesives, uncured urethane, road tar, fresh paint, grease from upholstered fabrics, rugs, painted surfaces, clothing, metals, glass, etc.

No. 848 Plastic Cleaner. Cleans any plastic surface. Meets military and commercial specifications. Anti-static; anti-fog; fast drying, non-streaking. Reduces glare.

No. 920 Polishing Oil. For grinding and polishing all metals and glass. Makes abrasive belts and wheels last longer. Keeps belts soft and free cutting.

No. 933 Glass Cleaner Wipes. Wipes quickly, removes dirt, dust, oil and grease smudges, water spots, fingerprints and smoke film from glass surfaces while leaving them with a sparkling shine.

No. 945 Silicone Spray. Makes everything slide and glide easier with no greasy mess. Heat-resistant, lubricates weather stripping, window channels and doors. Use on power tools for easy cutting and to prevent binding. Silences squeaky hinges.

No. 958 Quick Release Agent. Makes removal of windshield glass easier. Loosens or dissolves most adhesives used for bonding automotive weather-strip, carpeting, etc. Softens or undercuts several types of windshield sealers, including butyl, oil base and polysulfide types.

No. 961 Hoil Penetrating Oil & Rustproof. Displaces water, prevents corrosion. Non-conducting, never dries. The ideal way to loosen frozen nuts, bolts, etc.
