

PRODUCT TECHNICAL DATA SHEET

SP292 BLACK LABEL SERIES S¹ Silicone Spray

DESCRIPTION: This light-duty silicone spray is non-staining, non-corrosive and quick drying for a variety of uses. May be used on equipment in areas where there is exposure of the lubricated parts to food. This friction reducer stops sticking and binding while it protects equipment.

USES: Use on machinery used for producing, manufacturing, packing, processing preparing, treating, packaging, transporting or holding food.
