

PRODUCT TECHNICAL DATA SHEET

SW932 AUTO CARE High Gloss Tire Protectant and Cleaner

DESCRIPTION: An excellent product for the cleaning and protection of tire surfaces from the sun's ultra violet rays, which can cause fading, cracking and deterioration. Its active ingredients restore dirty and dull surfaces to a fresh 'like new' shiny finish. Tire surfaces will withstand multiple washings with this product while maintaining the protective coating and shine. Simply spray on and let the heavy foaming action do the work for you.

USES: Use on tires, vinyl tops, door and window moldings, etc. An excellent product for cars, trucks and motorcycles.
