

306 GLASS CLEANER

The Glass Cleaner is a safe, vinegar enhanced, ammonia free, versatile cleaner that maximizes the removal of grease, finger smears, smoke film, water spots and other soils from glass, mirrors and other nonporous surfaces with a minimum of effort. No rinsing is necessary to leave a clean, nonstreak, film-free and sparkling finish.

Removes grease, finger smears, smoke film, water spots and other soils from glass, mirrors, stainless steel, plastic, porcelain, chrome, cabinetry and other nonporous surfaces.

- Non-flammable
- Safe in septic systems
- Readily biodegradable
- Low aquatic toxicity
- No ozone depleting substances
- Phosphate free

APPEARANCE: Blue liquid

ODOR: Characteristic

pH (as concentrate): 2.5 - 3.5

Specific Gravity: 0.98 - 0.99

DOES NOT CONTAIN:

- Abrasives • Caustic alkalis • Agressive biocides • Harmful chemicals • Chlorinated solvents

APPLICATION METHODS:

Use the No. 306 with a sprayer, squeegee or other cleaning equipment. It is ideal for the removal of grease and other soils from non-porous surfaces such as: glass, porcelain, stainless steel, chrome, mirrors, etc.

Test the product on an inconspicuous area prior to use. Spray the product onto the surface that you wish to clean. Wipe the surface with a micro-fiber cloth, or other highly absorbent cloth, until clean or you may use a rubber squeegee.

This product has been formulated in a partnership with the Design for the Environment Program.

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.
