

307 HEAVY DUTY CARPET PRE-SPRAY

The heavy duty carpet pre-spray is a low foaming, spot & stain treatment for use as a pre-treat prior to extraction on heavily soiled carpet and high traffic areas. The No. 307 may be used in a carpet extraction solution tank and for bonnet buffing.

An effective spot and stain remover on most protein based stains such as coffee, cola, chocolate, grass, fats and oils. No. 307 is safe to use on most carpets and fabrics. No. 307 will not affect most dyes and colors.

- Non-flammable
- Safe in septic systems
- Readily biodegradable
- Low aquatic toxicity
- No ozone depleting substances
- Phosphate free
- No harmful chemical runoff
- No V.O.C. content

APPEARANCE: Colorless liquid

ODOR: Characteristic

pH (as concentrate): 9.3 - 9.8

Specific Gravity: 1.05 - 1.07

DOES NOT CONTAIN:

- Abrasives • Caustic alkalis • Agressive biocides • Harmful chemicals • Chlorinated solvents

APPLICATION METHODS:

The No. 307 is a low foaming spot & stain treatment with unique properties stemming from a proprietary blend of environmentally preferable surfactants, solvents and water conditioners. All components have been selected for high performance and low hazard to humans.

Test delicate fabrics or materials in an inconspicuous area prior to application. After the carpet is dry, vacuum thoroughly to remove potential cleaner residue.

This product has been formulated in a partnership with the Design for the Environment Program.

This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and environmental toxicity and reduced volatile organic compound content.
