

311 HEAVY DUTY CLEANER & DEGREASER

The No. 311 is a highly effective, versatile, heavy duty cleaner and degreaser specially formulated for the safe and powerful cleaning of grease, oil and other heavy soiling from hard surfaces. The heavy duty cleaner & degreaser can be used with mop, spray & wipe, floor equipment, pressure washers, etc.

This product is safe for use on concrete, terrazzo, quarry tiles, plastics, ceramics, rubber, glass, enamel, formica, stainless steel, painted, and varnished surfaces. No. 311 is particularly effective in removing rubber tire marks and other hard to remove stains without affecting the underlying surface coating.

- Non-flammable
- Safe in septic systems
- Readily biodegradable
- Low aquatic toxicity
- No ozone depleting substances
- Phosphate free
- No harmful chemical runoff
- Low V.O.C. content
- Non toxic

APPEARANCE: Clear green liquid
pH (as concentrate): typically 11
Specific Gravity: typically 1.05

DOES NOT CONTAIN:

- Abrasives • Caustic alkalis • Agressive biocides • Harmful chemicals • Chlorinated solvents

APPLICATION METHODS:

The Heavy Duty Cleaner & Degreaser is a high performance hard surface cleaner with unique properties stemming from a proprietary blend of environmentally preferable surfactants, solvents and water conditioners. All components have been selected for high performance and low hazard to humans.

Test No. 311 in an inconspicuous area prior to use. Apply to surface, agitate with brush, pad or other cleaning apparatus. Rinse and/or wipe dry.
