

claire®

introducing the *Claire Micro-Metered Air Freshening System*

The Claire Micro-Metered Air Freshening System provides all the quality and performance you expect from a Market Leader in aerosol technology, in a convenient and compact size. All Claire Micro-Metered refills are proudly Made in the USA!

Six Claire Micro-Metered refills are available, each containing 3000 sprays.

All refills contain Ordenone™ Odor Neutralizer.

Refills are compatible with Claire, and most other metered dispensers and provide air freshening in areas 20'x15'x10'.

Fragrances include:

*fresh linen citrus blast
marvelous mango spicy cinnamon
dutch apple country garden*

- *Six proven, popular fragrances*
- *Flexible dispenser programming options*
- *VOC compliant*
- *No residue or staining*
- *C-Cell batteries last up to 2 years*

The wall-mounted Claire Micro-Metered dispenser offers a variety of options to allow customization to most user needs. With 5, 15 or 25 minute spray frequency settings, and a choice of 24 hours per day, day only or night only operation. Two C-cell batteries will last over two years (depending on settings). The dispenser features an empty can indicator light, normal operation indicator light and an ambient light sensor.

claire®
