 Certified Floor Care Product CCD-147

GREEN PRODUCTS

DESCRIPTION

X	X		X CCD-146	306 Glass Cleaner	Highly concentrated glass cleaner removes soils from glass, mirrors, stainless steel, plastic, porcelain, chrome, cabinetry and other non-porous surfaces.
X	X	X	X CCD-148	307 Heavy Duty Carpet Pre-Spray	Used primarily as a pre-spray prior to carpet extraction. Also used in the extractor tank for general extraction after pre-spray. Effective spot and stain remover on most protein based stains.
X	X	X	X CCD-148	308 Carpet Extraction Cleaner	Under normal conditions, this product is a one pass cleaner that effectively inhibits re-solling. Use this product as a pre-spray prior to extraction or in an extraction solution tank.
X	X		X CCD-146	309 Floor & Hard Surface Neutral Cleaner	This product easily removes daily accumulations of oils, hydrocarbons, greases and other soils from a variety of surfaces. Use this product anywhere a streak free, high shine appearance is of utmost importance.
X			X CCD-051	310 Fast Dissolve Graffiti Remover	This unique graffiti remover removes paint, ink, permanent marker and unwanted graffiti from a variety of surfaces. The SW310 is environmentally friendly and much safer for the user than the traditional graffiti remover.
X	X		X CCD-146E	311 Heavy Duty Cleaner & Degreaser	Use the heavy duty cleaner & degreaser with a mop, spray & wipe, floor equipment, pressure washer, etc. to remove grease, oil and other heavy soil from hard surfaces.
X	X		X CCD-146J	312 Tile & Grout Restroom Cleaner	A high foam cleaner that clings to the surface to maximize the removal of mold, mildew, soap scum and hard water deposits from tile, painted surfaces and fixtures with a minimum of effort.
X	X		X CCD-146	313 All Purpose Cleaner & Degreaser	The all purpose cleaner & degreaser removes tough, oily and grassy soils from most hard surfaces not adversely affected by water.
X	X		X CCD-147	315 Metal-Free Floor Finish	The metal-free floor finish is an environmentally preferred floor coating that can be used on most hard resilient floors as a sealer/finish. The finish dries smooth, hard and colorless.
X	X		X CCD-147	316 Floor Finish Remover	This fast acting, low odor product quickly penetrates and completely liquefies multiple layers of floor finish, wax and water-based seals.

GREEN

liquid cleaning solutions

Sprayway® GREEN LIQUIDS

To ensure safety of your products, they must have ALL of the following attributes:

- RENEWABLE
- LOW ENVIRONMENTAL TOXICITY
- READILY BIODEGRADABLE
- LOW HUMAN TOXICITY

A truly green product must make these claims. For the product to be acceptable, it must also have superior cleaning performance and competitive pricing. If the product passes all of these tests, it is probably **Sprayway Green**.

SW306 GLASS & WINDOW CLEANER

A safe and versatile cleaner that is highly effective for the removal of grease, finger smears, smoke film, water spots and other soils from glass, mirrors, stainless steel, plastic, porcelain, chrome, cabinetry and other non-porous surfaces. Vinegar Enhanced. *Size Available: 1 Gallon (3.78 Liters)*
Light soiling: 1 - 3 oz. per U.S. gallon or 8 ml - 90 ml per liter of cold water.
Moderate soiling: 4 - 8 oz. per U.S. gallon or 100 ml - 125 ml per liter of cold water.
Heavy soiling: 9 - 12 oz. per U.S. gallon or 130 ml - 190 ml per liter of cold water.

SW307 HEAVY DUTY CARPET PRE-SPRAY

This product is used primarily as a pre-spray prior to carpet extraction for traffic lanes or other heavily soiled areas. SW307 may also be used in the solution tank for bonnet cleaning after pre-spray. *Size Available: 1 Gallon (3.78 Liters)*
As a pre-spray prior to extraction: 3 - 8 oz. per U.S. gallon or 24 ml - 60 ml per liter.
In a carpet extraction solution tank: 1 - 4 oz. per U.S. gallon or 8 ml - 30 ml per liter of cold water.
For bonnet buffing: 2 - 4 oz. per U.S. gallon or 16 ml - 30 ml per liter of cold water.

SW308 CARPET EXTRACTION CLEANER

This highly effective, versatile, low foaming carpet extraction cleaner is formulated to remove oil, grease, embedded dirt and other soils from carpet. SW308 is formulated to provide one pass cleaning and inhibit resoiling under normal conditions. *Size Available: 1 Gallon (3.78 Liters)*
AS A PRE-SPRAY PRIOR TO EXTRACTION:
Light soiling: 3 - 6 oz. per U.S. gallon or 24 ml - 45 ml per liter of cold water.
Moderate soiling: 6 - 8 oz. per U.S. gallon or 45 ml - 60 ml per liter of cold water.
Heavy soiling: 9 - 12 oz. per U.S. gallon or 70 ml - 90 ml per liter of cold water.
IN A CARPET EXTRACTION SOLUTION TANK:
Light soiling: 1 - 2 oz. per U.S. gallon or 8 ml - 16 ml per liter of cold water.
Moderate soiling: 2 - 3 oz. per U.S. gallon or 16 ml - 24 ml per liter of cold water.
Heavy soiling: 3 - 4 oz. per U.S. gallon or 24 ml - 30 ml per liter of cold water.

SW309 FLOOR & HARD SURFACE

This highly effective, versatile, low foaming neutral cleaner for high polish floors where the use of harsh detergents could cause degradation of floor finish. Easily removes daily accumulations of oils, hydrocarbons, greases and other soils from floors, walls and other non-porous surfaces. *Size Available: 1 Gallon (3.78 Liters)*
MANUAL FLOOR CLEANING:
Light soiling: 0.5 - 1 oz. per U.S. gallon or 4 ml - 8 ml per liter of cold water.
Moderate soiling: 1 - 2 oz. per U.S. gallon or 8 ml - 16 ml per liter of cold water.
Heavy soiling: 2 - 4 oz. per U.S. gallon or 16 ml - 30 ml per liter of cold water.
AUTOSCRUBBER FLOOR CLEANING:
Light cleaning: 0.25 - 0.5 oz. per U.S. gallon or 2 ml - 4 ml per liter of cold water.
Moderate cleaning: 0.5 - 1 oz. per U.S. gallon or 4 ml - 8 ml per liter of cold water.
Deep scrubbing: 1 - 3 oz. per U.S. gallon or 8 ml - 24 ml per liter of cold water.

SW310 FAST DISSOLVE INK & PAINT REMOVER

Removes paint, ink, permanent marker and other unwanted graffiti from a variety of surfaces. Diluted, this product can be used on some plastic, laminate, metal, carpet, most painted surfaces and whiteboards. Undiluted, this product will penetrate and remove graffiti from porous surfaces such as brick, stone and concrete. *Size Available: 1 Quart (.946 Liters)*
Undiluted: use product straight for most graffiti on carpet and for the toughest graffiti on whiteboards.
Low Dilution: 1 part product to 3 parts water, 32 oz. per gallon-economical blend for moderately tough graffiti.
High Dilution: 1 part product to 5 parts water, 20 oz. per gallon-most economical and generally safe on less durable and painted surfaces.

SW311 HEAVY DUTY CLEANER & DEGREASER

This versatile, heavy duty cleaner and degreaser is formulated for the safe and powerful cleaning of grease, oil and other heavy soil from hard surfaces. Use this product with a mop, spray & wipe, floor equipment, pressure washer, etc. SW311 is particularly effective in removing rubber tire marks and other hard to remove stains without affecting the underlying surface coating. *Size Available: 1 Gallon (3.78 Liters)*
Light soiling: 1 - 2 oz. per U.S. gallon or 8 ml - 16 ml per liter of cold water.
General soiling: 2 - 4 oz. per U.S. gallon or 16 ml - 32 ml per liter of cold water.
Heavy soiling: 4 - 12 oz. per U.S. gallon or 32 ml - 90 ml per liter of cold water.

SW312 TILE & GROUT RESTROOM CLEANER

This product creates a high foam which clings to the surface to maximize the removal of mold, mildew, soap scum and hard water deposits from tile, painted surfaces and fixtures with minimum effort. SW312 rinses easily leaving a clean and sparkling finish. *Size Available: 1 Gallon (3.78 Liters)*
Light soiling: 1 - 4 oz. per U.S. gallon or 8 ml - 30 ml per liter cold water.
Moderate soiling: 5 - 8 oz. per U.S. gallon or 40 ml - 60 ml per liter cold water.
Heavy soiling: 9 - 13 oz. per U.S. gallon or 70 ml - 100 ml per liter cold water.

SW313 ALL PURPOSE CLEANER & DEGREASER

The safe and powerful cleaning action removes grease, oil, and heavy soil from hard surfaces. Use this product with a mop, spray and wipe, pressure washer, foam system, etc. Safe for use on concrete, vinyl floor coverings, terrazzo, quarry tile, plastic, ceramic, rubber, glass, enamel, formica, stainless steel, painted and varnished surfaces. *Size Available: 1 Gallon (3.78 Liters)*
Light soiling: 0.5 - 2 oz. per U.S. gallon or 4 ml - 16 ml per liter of cold water.
Moderate soiling: 2 - 4 oz. per U.S. gallon or 16 ml - 30 ml per liter of cold water.
Heavy soiling: 4 - 6 oz. per U.S. gallon or 30 ml - 45 ml per liter of cold water.

SW315 METAL-FREE FLOOR FINISH

This product is a combination sealer-finish that dries to a smooth, hard, clear and colorless coating. This durable finish is versatile and can be maintained using multiple maintenance procedures including scrub/re-coat, buffing or high speed burnishing. It contains no zinc or other metals and has low odor qualities making it a preferable product for health care, hospitals, nursing homes, and school facilities. *Size Available: 1 Gallon (3.78 Liters)*

SW316 FLOOR FINISH REMOVER

A highly concentrated rapid response stripper that dissolves the strong and unpleasant odor associated with conventional strippers. Rinses quickly without leaving residual alkali to interfere with finish application. SW316 is a high-performance, low odor, non-toxic, non-corrosive, butyl free, ammonia free, wax and finish remover. *Size Available: 1 Gallon (3.78 Liters)*
Mix: 1:4 to 1:6 parts of cold water.
 Stronger mixtures of this product may be needed in rare instances.

Note: Improper use or dilution may result in damage to surfaces and may increase the risk of health effects. Please read label for complete instruction or view our MSDS sheets and tutorials on the web at
